www.coventry-medicare.com

We are very excited to announce the launch of Coventry's **NEW** Medicare website this coming Monday, January 12, 2009. Our new web address www.coventry-medicare.com will provide visitors easy access to benefit, premium and health plan information for all Coventry Medicare products.

A new integrated Plan Finder is included with the launch of our new Medicare website. The new plan finder gives visitors an up-close view of all Coventry products available in their area.

The **NEW** Coventry Medicare website also hosts the Coventry Broker Portal. You will notice a new look when you log in. The Broker Portal is designed to help brokers and agents with tools and information to assist in selling our Medicare products. Once logged in and inside the secure section of our Broker Portal, you can find the status of enrollment applications and commission information through Coventry's **NEW** Application Tracking System. On the Broker Portal you also can update your profile, review the steps on *How to Get Appointed*, complete Coventry online agent training modules, access sales information and marketing tools, view our broker communication releases, order collateral ...and much more!

Starting Monday, January 12, 2009, visitors who try to reach one of our existing URLs such as www.advantrafreedom.com or www.advantrarx.com will automatically be redirected to the **NEW** Coventry Medicare website.

We invite you to visit Coventry's **NEW** Medicare website at www.coventry-medicare.com starting Monday. Explore the universe of Coventry's Medicare Advantage and Medicare Part D products!
