

## Care Improvement Plus 2012 Credentialing Links

We are pleased to announce the launch of the 2012 Care Improvement Plus Benefits Training Program.

In order to sell on behalf of Care Improvement Plus for 2012, you must complete the Credentialing and Certification process. We are excited to announce the 2012 Certification and Credentialing programs are both on the same platform which can be accessed at the link below.

**In order to start the programs, please access the 2012 Care Improvement Plus Benefits Training URL provided below:**

[www.careimprovementplus.com/credentialing4NAF2012](http://www.careimprovementplus.com/credentialing4NAF2012)

(This URL is unique to your FMO and should not be distributed otherwise.)

**NOTE:**

**If you have not yet certified with us for 2011, there is still time. Simply follow the above link; during the 2012 certification you'll be given the option to complete the 2011 training.**

Training Program, you will be issued an Agent ID# via email.
